Grilled Peach- & Mozzarella Salad

The perfect blend of sweet and savory, this refreshing summer salad packs the most flavor when made with farm-fresh ingredients.

Yield: 4 servings

- 5 yellow peaches
- 3 green onions, sliced
- ¼ cup chopped fresh cilantro
- 3 Tbsp. honey
- 1 tsp. salt
- 1 tsp. lime zest
- ½ cup fresh lime juice
- ¾ tsp. ground cumin
- ⅛ tsp. chili powder
- 1/3 cup olive oil
- 6 oz. baby arugula
- ¾ lb. fresh mozzarella, cut into ¼ inch slices
- Fresh cilantro, for garnish

Peel and chop 1 peach. Cut remaining four peaches into ¼ inch rounds, cutting through stem and bottom ends. Discard pit.

In a food processor, blend the chopped peach, green onions, chopped cilantro, honey, spices, salt, lime zest and lime juice until smooth (about 10-15 seconds). Add olive oil and pulse three to four times until thoroughly combined.

Spray grill with cooking spray and preheat to 350-400 degrees F. Brush both sides of peach rounds with peach dressing and place on grill. Cover and heat for three to five minutes on each side (grill marks should appear).

Arrange arugula evenly on four plates. Alternately layer four grilled peach rounds and three cheese slices over the arugula on each plate. Top each with three more peach rounds. Drizzle with remaining peach dressing and garnish with cilantro. Serve immediately.
Jumpstart your morning with a fruit smoothie packed with local ingredients. Adding spinach is a great way to get nutrients fast. And an easy way to get kids to eat their veggies.

2/3 cup to 1 cup unsweetened almond milk
2 cups strawberries, hulled and quartered
1 peach, pit removed and roughly chopped
1 frozen banana
1/2 cup of fresh spinach
Drizzle of fresh, local honey

Place all ingredients into a high speed blender and blend until smooth and creamy.

Serve cold and enjoy!
COWBOY CAVIAR

This Midwest-style Cowboy Caviar is chock full of colorful, fresh ingredients you can find at the Farmers’ Market. This recipe makes a great dip or side salad for a summer BBQ and is naturally vegan and gluten-free.

- ¼ cup sugar
- ¼ cup white wine vinegar
- 1 cup salsa verde
- 1 tsp. salt
- 1 lb. tomatoes, seeded and diced
- 1 15oz. can black beans, drained and rinsed
- 1 11oz. can sweet corn, drained
- 1 red onion, diced
- ½ cup diced green bell pepper
- ½ cup diced red bell pepper
- ½ cup cilantro, chopped
- 6 avocados, peeled and diced

In a large bowl, combine all ingredients.

Cover and chill for at least one hour to blend flavors. Serve as a side salad or with tortilla chips.
Prepare fruit by rinsing under cool water. Peel or pit as needed and cut into 1-inch chunks.

Put fruit into slow cooker. Add sugar, salt and any desired herbs and spices. Stir to combine.

Place a wooden spoon across the top of the slow cooker and place the lid on top to allow venting. Cook on LOW, stirring every few hours, until thick and spreadable (about 10-12 hours). Put the spoon back in place beneath the lid after each stir.

Turn off slow cooker. Add lemon juice and stir to combine. Leave uncovered to cool. Transfer to blender and blend until smooth.

Store in sealed containers in the refrigerator for up to 10 days or in the freezer for up to six months.
Farmers’ Market Hash

The freshest hash around uses locally grown ingredients to create a filling breakfast dish. This hash can be enjoyed immediately with eggs or stored in the refrigerator for up to 5 days after prepping.

Preheat oven to 425 degrees F. Spread diced potato in a thin layer on a large baking sheet. Bake for 20 minutes or until potatoes have slightly browned.

While potatoes are baking, heat a large skillet over medium-high heat. Remove sausage from casings if necessary and cook until golden brown, stirring occasionally (about eight minutes). Transfer to plate and set aside.

Reduce heat to medium. Add onions and cook for five minutes, until translucent. Add garlic and sauté until fragrant (about one minute).

Add eggplant and mushrooms. Cook until softened.

Add red bell pepper and cook until softened slightly (about five minutes).

Stir in spinach and cook until wilted. Add sausage back to skillet and stir to incorporate.

Spread potatoes and hash mixture in a thin layer in a walled baking dish. Create wells and crack eggs into them. Season with salt and pepper and bake in preheated oven for 10 - 20 minutes, until the eggs are done to your preference.

Serve warm and enjoy.

2 garlic cloves, minced
1 large sweet potato, peeled and diced

Beat the summer heat with these cool, refreshing sandwiches. Late summer is the best time for tomatoes at the Farmers’ Market. Tip: use a serrated knife when slicing the tomatoes to retain their juiciness.

**Yield: 6 servings**

**In a medium bowl, mix together cream cheese, cucumber, red onion, dill, mint, lemon juice, vinegar, salt and pepper.**

Spread ¼ cup of the cucumber mixture onto each slice of toasted bread. Top each with two to three tomato slices and drizzle with 1 tsp. olive oil. Top with chives, salt, and pepper. Serve immediately.
Preheat oven to 450 degrees F. Grease a baking sheet or line with foil.

In a food processor, combine ½ cup sugar, the flour and the salt. Add butter cubes and pulse several times, until the mixture is crumbly. Add the water one tablespoon at a time until the dough comes together.

Shape dough into a thick disk and wrap in plastic wrap. Store in the refrigerator for one hour or in the freezer for 20 minutes.

Divide the dough into four equal portions and roll each into a ball. Use a rolling pin to flatten the dough into ¼ inch thick rounds.

Spoon ¼ cup of the fruit into each round of dough, leaving a 1 ½ inch border around all edges. Sprinkle lemon or lime zest on top and give each fruit filling a squirt of lemon or lime juice. Sprinkle remaining sugar over all of the fruit.

Fold dough edges toward the center, firmly pinching together the seams between the folds (this will prevent your crostata from unraveling as it’s heated). Fruit should still be visible in the center of the dough pocket.

Bake the crostatas for 12-14 minutes, until brown around the edges. Remove from oven and allow to cool before transferring to serving plate. Serve at warm or room temperature.
Overnight Breakfast Egg Casserole

Loaded with veggies, this easy overnight egg bake is deliciously satisfying and healthy, to boot. Perfect for make-ahead breakfasts to feed the whole family.

Yield: 8 servings

- 1 lb. sweet Italian turkey sausage
- 1 ½ cups diced sweet onion
- 8 oz. sliced mushrooms
- 2 cloves garlic, minced
- 2 cups frozen shredded hash brown potatoes
- 2 cups shredded reduced-fat cheddar cheese, divided
- 1 cup diced green pepper
- 2-3 plum tomatoes, seeded and diced
- ½ cup chopped green onions
- 12 eggs
- 1 ¾ cups non-fat milk
- 1 ½ tsps. dried parsley
- 1 tsp. kosher salt
- 1 tsp. dried basil
- ¼ tsp. black pepper

In a large non-stick skillet over medium heat, cook sausage, onions, mushrooms and garlic until sausage is cooked through and mushrooms have softened (about 10 minutes). Drain the liquid and set aside.

In a greased 9x13 pan, layer potatoes, sausage mixture, 1 cup cheese, green peppers, tomatoes and green onions. Set aside.

In a medium bowl, combine eggs, milk, parsley, salt, basil and pepper. Whisk thoroughly to combine, then add remaining cup of cheese and whisk again. Pour evenly over ingredients in baking pan. Cover and refrigerate overnight or bake immediately.

Preheat oven to 375 degrees F. Bake casserole, uncovered, for 60-70 minutes or until middle is set and edges are golden brown.

Remove from oven and cool for 10 minutes before serving.
Preheat oven to 350 degrees.

Cook quinoa in water until fluffy, set aside.

Heat a skillet with oil and sauté garlic and spinach until tender and fragrant.

Season with basil, red pepper flakes, oregano, salt and pepper.

Add cheeses, saving a little extra mozzarella for topping if desired.

Remove from heat and stir in quinoa.

Slice peppers in half, removing the veins, stems and seeds.

Stuff liberally with cheesy spinach and quinoa filling.

Top with extra cheese and red pepper flakes if desired.

Bake on a foil-lined baking sheet, for 8-10 minutes.

Garnish with fresh parsley and enjoy!
Autumn Chicken

With the Farmers’ Market open into November, there are plenty of opportunities to create some hearty fall meals using local ingredients. This chicken recipe evokes the classic tastes of fall.

Preheat oven to 450 degrees.

Pour 2 Tbsp. olive oil, red wine vinegar, garlic and herbs over chicken and season with salt and pepper. Set aside to rest and chop vegetables.

Place sweet potato, Brussels sprouts, apples, shallots and squash on a large rimmed baking sheet.

Drizzle with remaining 2 Tbsp. olive oil, then toss to evenly coat and season with salt and pepper to taste.

Spread into an even layer, then set chicken over veggie mixture.

Roast in preheated oven until chicken and veggies are golden brown, about 25 - 30 minutes (chicken should register 165 degrees at the center).

Broil during last few minutes for a more golden skin on chicken if desired.
